FUNDING AUTHORIZATION – Research Infrastructure Funds

University of Idaho is authorized to expend funds related to research infrastructure. Per State Board Policy, a portion of the competitive research funding allocated to the Higher Education Research Council (HERC) should be distributed to the state's baccalaureate and post-baccalaureate institutions to support their science, engineering, and other research infrastructure. The following information applies to these funds:

Amount of Funds:	$250,000
Authorized Uses for the Funds:	These funds should be reserved for library support essential to research, graduate research assistantships, post-doctoral fellows, technician support, maintenance contracts, research equipment, competitively awarded summer research support, startup funds for new hires, and incentives to reward faculty for their research achievements.
Fiscal Period for Expenditures:	**July 1, 2024 – June 30, 2025**
Distribution of Funds:	All funds for this grant will be distributed in one lump sum in FY2025. Any funds not expended by June 20, 2025 must be returned to the Office of the State Board of Education.
Institutional Contact:	Brittany Gunderson
Report Due to OSBE:	**December 1, 2025**

Reporting Requirements:	A summary of budget expenditures related to research infrastructure funds shall be submitted to HERC@edu.idaho.gov by the report due date.

FUNDING AUTHORIZATION – Undergraduate Research

University of Idaho is authorized to disburse funds to support undergraduate student research.

Amount of Funds:	$65,000
Authorized Uses for the Funds:	Salary, travel, stipend, materials and supplies specific to/for research by undergraduate students majoring in STEM fields who are enrolled in at least one (1) semester during the academic year. Students who receive funding from this award are expected to give a presentation at the annual Idaho Conference for Undergraduate Research (ICUR). The institution has oversight over those undergraduate research students providing the presentation.
Fiscal Period for Expenditures:	**July 1, 2024 – June 30, 2025**
Distribution of Funds:	All funds for this grant will be distributed in one lump sum in FY2025. Any funds not expended by June 20, 2025 must be returned to the Office of the State Board of Education.
Institutional Contact:	Sarah Martonick and/or Kris Waynant
Report Due Date:	**December 1, 2025**
Reporting Requirements:	A report of undergraduate research outcomes shall be submitted to HERC@edu.idaho.gov by the report due date. This report shall include the following elements for each student project: (1) Summary of project accomplishments; (2) summary of budget expenditures; and (3) any other pertinent information. Copies of student presentations at ICUR shall also be submitted as part of the report.

Sincerely,

Scott Greco
Deputy Director
